

Thu 5 Oct
07:30 - 09:00 | **Registration**
Other

Thu 5 Oct
09:00 - 10:00 | **Spanish National Symposium (in Spanish language, no translation)**
Sala Italia Sister Society Symposium

Thu 5 Oct
09:00 - 10:30 | **Functional and Inflammatory diagnostic tools**
Sala Germania Practical Course

Chair : Ian Pavord (United Kingdom)

09:00 | **Pulmonary Function Tests**
Alina Gherasim (France)

09:30 | **Exhaled Biomarkers**
Steilos Loukidis (Greece)

10:00 | **Biological samples**
Antonio Spanevello (Italy)

Thu 5 Oct
09:00 - 10:30 | **Italian National Symposium**
Auditorium Sister Society Symposium

Thu 5 Oct
10:30 - 11:00 | **Coffee Break**
Poster area/ Exhibition Break

Thu 5 Oct
11:00 - 12:00 | **Asthma pheno-endotyping for experts Part 1**
Sala Germania Practical Course

11:00 | **Exercise-Induced Bronchoconstriction**
Oliver Price (United Kingdom)

11:30 | **Small Airways Disease**
Cristina Boccabella (Italy)

Thu 5 Oct

12:00 - 12:30

Break

Poster area/Exhibition Break

Thu 5 Oct

12:30 - 13:30

Asthma pheno-endotyping for experts Part 2

Sala Germania Practical Course

Chair : Paul Lavender (United Kingdom), Cristiano Caruso (Italy)

12:30

NERD

Maria Jose Torres (Spain)

13:00

Non-T2-high asthma

Oscar Palomares (Spain)

Thu 5 Oct

13:30 - 14:00

Break

Poster area/Exhibition Break

Thu 5 Oct

14:00 - 14:30

WELCOME ADDRESSES

Auditorium Other

Thu 5 Oct

14:30 - 15:00

Keynote Lecture 1

Auditorium Keynote Lecture

Chair : Matteo Bonini (Italy), Cezmi Akdis (Switzerland)

14:30

Fibrosis: a model and a target encompassing lung diseases

Luca Richeldi (Italy)

Thu 5 Oct
15:00 - 16:30

Learn the basics of severe asthma

Auditorium Plenary (streamed)

Chair : Celeste Porsbjerg (Denmark), Paola Rogliani (Italy)

15:00 **The role of the epithelial barrier**
Cezmi Akdis (Switzerland)

15:30 **Inflammation, luminal obstruction and mucus abnormalities**
Manali Mukherjee (Canada)

16:00 **Multidimensional endotyping**
Ioana Agache (Romania)

Thu 5 Oct
15:00 - 16:30

United airways in severe asthma

Sala Germania Practical Course

Chair : Enrico Heffler (Italy)

15:00 **Local respiratory allergy and allergic rhinitis**
Carmen Rondon (Spain)

16:00 **Treatment on chronic rhinitis and impact on asthma**
Sanna Toppila-Salmi (Finland)

Thu 5 Oct
15:00 - 16:30

Life is life

Sala Italia Symposium

Chair : Stefano Del Giacco (Italy), Marek Jutel (Poland)

15:00 **Clinical trials vs Real-World Evidence**
Giorgio Walter Canonica (Italy)

15:30 **Severe Asthma registries**
Ratko Djukanovic (United Kingdom)

16:00 **Evaluating airway hyperactivity**
Ibon Eguiluz (Spain)

Thu 5 Oct
16:30 - 17:00

Coffee Break

Poster area/ Exhibition Break

Thu 5 Oct
17:00 - 18:30

Precision Medicine: the Genesis

Auditorium Plenary (streamed)

Chair : Michael Wechsler (United States of America)

17:00 **Genome-wide association studies in severe asthma**
Eugene Bleeker (United States of America)

17:30 **Epigenetics in severe asthma**
Paul Lavender (United Kingdom)

18:00 **The genetic variability of treatment response in severe asthma**
Ian Adcock (United Kingdom)

Thu 5 Oct
17:00 - 18:30

Therapeutic implications of the comorbidities of severe allergic asthma

Sala Germania Practical Course

Chair : Tomás Chivato (Spain), Alina Gherasim (France)

17:00 **Atopic dermatitis**
Mattia Giovannini (Italy)

17:30 **IgE-mediated food allergy**
Amelia Licari (Italy)

18:00 **Treating allergic multimorbidity during childhood**
Nikolaos Papadopoulos (Greece)

Thu 5 Oct
17:00 - 18:30

Microbial triggers of asthma exacerbations

Sala Italia Symposium

Chair : Manali Mukherjee (Canada), Liam O'Mahony (Ireland)

17:00 **Viral infections and vaccinations**
Sebastian Johnston (United Kingdom)

17:30 **Immunodeficiencies and airway infections in severe asthma exacerbations**
Cristiano Caruso (Italy)

18:00 **Fungi and antimicrobial therapy**
David Denning (United Kingdom)

Thu 5 Oct
18:30 - 20:00

Poster Session 1

Poster area/ Exhibition Poster discussion session

Fri 6 Oct
07:30 - 08:30 | **How to set up an Asthma Center of excellence**
Sala Germania Meet the expert

07:30 **How to set up and Asthma Center of excellence**
David Jackson (United Kingdom)

Fri 6 Oct
08:30 - 09:00 | **Keynote Lecture 2**
Auditorium Keynote Lecture

Chair : Arnaud Bourdin (France), Alberto Papi (Italy)

08:30 **Evidence will guide you home: the GINA 2023 Strategy Report (remote talk)**
Helen Reddel (Australia)

Fri 6 Oct
09:00 - 10:30 | **Solve problems with bioLOGIC**
Auditorium Plenary (streamed)

Chair : Ian Pavord (United Kingdom)

09:00 **Biologic switching: why, when and in whom**
David Jackson (United Kingdom)

09:30 **Biomarker versus outcome-driven biologic choice**
Steilos Loukidis (Greece)

10:00 **Safety and efficacy of combined biologic strategies**
Michael Wechsler (United States of America)

Fri 6 Oct
09:00 - 10:30 | **Development and protection in pediatric severe asthma**
Sala Italia Symposium

Chair : Sejal Saglani (United Kingdom), Mattia Giovannini (Italy)

09:00 **Managing asthma during pregnancy**
Apostolos Bossios (Sweden)

09:30 **Breast-feeding and maternal exposure**
Alessandro Fiocchi (Italy)

10:00 **Prevention on pediatric severe asthma**
Stefania Arasi (Italy)

Fri 6 Oct
09:00 - 10:30

Oral Presentations 1

Sala Germania Oral Presentations

Fri 6 Oct
10:30 - 11:00

Coffee Break

Poster area/ Exhibition Break

Fri 6 Oct
11:00 - 12:30

Resolution: beyond asthma control

Auditorium Plenary (streamed)

Chair : David Jackson (United Kingdom), Liam Heaney (United Kingdom)

11:00 **The concept of asthma remission**
Matteo Bonini (Italy)

11:30 **Defining super-responders**
Ian Pavord (United Kingdom)

12:00 **Can biologics be considered disease modifying agents?**
J Christian Virchow (Germany)

Fri 6 Oct
11:00 - 12:30

Targeted treatment in severe asthma

Sala Germania Practical Course

Chair : Eugene Bleecker (United States of America), Andre Moreira (Portugal)

11:00 **Transcriptomic studies of response to biologics in severe asthma; what do they suggest?**
Ignacio Dávila (Spain)

11:30 **Therapeutic options for non T2 asthma**
Ratko Djukanovic (United Kingdom)

12:00 **Environmental control**
Isabella Annesi-Maesano (France)

Fri 6 Oct
11:00 - 12:30

Is there a role for allergen immunotherapy in severe asthma?

Sala Italia Symposium

Chair : Giorgio Walter Canonica (Italy), Ioana Agache (Romania)

11:00 **Diagnosis of allergic asthma – recommendations of the EAACI Guidelines**
Ibon Eguiluz (Spain)

11:30 **Lessons from the clinical trials**
Marek Jutel (Poland)

12:00 **Biomarkers for allergen immunotherapy in asthma**
Mohamed Shamji (United Kingdom)

Fri 6 Oct
12:30 - 14:00

Lunch

Poster area/Exhibition Break

Fri 6 Oct
14:00 - 14:40

Asthma endotypes: static or fluid entities?

Sala Germania Pro-Con

Chair : J Christian Virchow (Germany), Luis Pérez de Llano (Spain)

14:00 **Pro - static**
Enrico Heffler (Italy)

14:15 **Con - fluid**
Manali Mukherjee (Canada)

14:30 **Pro-rebuttal**

14:35 **Con-rebuttal**

Fri 6 Oct
14:00 - 15:30 | **(Don't) leave the kids alone**
Auditorium Plenary (streamed)

Chair : Alessandro Fiocchi (Italy)

14:00 **Prevalence and phenotypes of pediatric asthma**
Nikolaos Papadopoulos (Greece)

14:30 **Diagnosis of pediatric asthma**
Louise Fleming (United Kingdom)

15:00 **Management of pediatric asthma**
Sejal Saglani (United Kingdom)

Fri 6 Oct
14:00 - 15:30 | **Novel targets in severe asthma**
Sala Italia Symposium

Chair : Mohamed Shamji (United Kingdom)

14:00 **Epithelial derived cytokines**
Celeste Porsbjerg (Denmark)

14:30 **Neurogenic inflammation in asthma**
Eugene Bleecker (United States of America)

15:00 **The airway smooth muscle cells**
Arnaud Bourdin (France)

Fri 6 Oct
14:45 - 15:25 | **High dose ICS before biological?**
Sala Germania Pro-Con

Chair : J Christian Virchow (Germany), Luis Pérez de Llano (Spain)

14:45 **Pro**
Giorgio Walter Canonica (Italy)

15:00 **Con**
Ian Pavord (United Kingdom)

15:15 **Pro-rebuttal**

15:20 **Con-rebuttal**

Fri 6 Oct
15:30 - 16:00

Break

Poster area/Exhibition Break

Fri 6 Oct
16:00 - 17:30

The influence of the exposome

Auditorium Plenary (streamed)

Chair : Stephanie Dramburg (Germany), David Denning (United Kingdom)

16:00

Allergens

Lorenzo Cecchi (Italy)

16:30

Pollutants and Smoking

Isabella Annesi-Maesano (France)

17:00

The microbiome

Liam O'Mahony (Ireland)

Fri 6 Oct
16:00 - 17:30

New Frontiers in Asthma

Sala Italia Symposium

Chair : Ratko Djukanovic (United Kingdom), Paul Lavender (United Kingdom)

16:00

The value of induced sputum

Antonio Spanevello (Italy)

16:30

Predictive markers of asthma remission

Liam Heaney (United Kingdom)

17:00

Anti-inflammatory relievers (AIR)

Alberto Papi (Italy)

Fri 6 Oct
16:00 - 17:30

Oral Presentations 2

Sala Germania Oral Presentations

Saturday 7 October

EAACI ISAF 2023

Sat 7 Oct
07:30 - 08:30

JM Session Mentor Class

Sala Germania Other

Sat 7 Oct
08:30 - 09:00

Keynote Lecture 3

Auditorium Keynote Lecture

Chair : Maria Jose Torres (Spain), Ignacio Dávila (Spain)

08:30 **Research Priorities in Severe Asthma: the EAACI view**
Stefano Del Giacco (Italy)

Sat 7 Oct
09:00 - 09:40

Biologics in GINA Step 4

Sala Germania Pro-Con

Chair : Ioana Agache (Romania), Ibon Eguiluz (Spain)

09:00 **Pro**

09:15 **Con**
J Christian Virchow (Germany)

09:30 **Pro-rebutal**

09:35 **Con-rebutal**

Sat 7 Oct
09:00 - 10:30

Comorbidities in Severe Asthma

Auditorium Plenary (streamed)

Chair : Sanna Toppila-Salmi (Finland)

09:00 **CRS**
Philippe Gevaert (Belgium)

09:30 **Esophageal diseases**
Enrico Heffler (Italy)

10:00 **Obesity**
Andre Moreira (Portugal)

Sat 7 Oct
09:00 - 10:30 | **Triple therapy in severe asthma**
Sala Italia Symposium

Chair : Antonio Spanevello (Italy), Steilos Loukidis (Greece)

09:00 **Lessons learned from COPD**
Leonardo Fabbri (Italy)

09:30 **Clinical trials-summary of evidence**
Luis Pérez de Llano (Spain)

10:00 **Is there a specific phenotype benefitting better from LAMA?**
Cristiano Caruso (Italy)

Sat 7 Oct
09:45 - 10:25 | **Is GINA Step 1 and Step 2 mild astham?**
Sala Germania Pro-Con

Chair : Ioana Agache (Romania), Ibon Eguiluz (Spain)

09:45 **Pro**
Apostolos Bossios (Sweden)

10:00 **Con**
Celeste Porsbjerg (Denmark)

10:15 **Pro-rebutal**

10:20 **Con-rebutal**

Sat 7 Oct
10:30 - 11:00 | **Break**
Poster area/ Exhibition Break

Sat 7 Oct
11:00 - 12:30 | **Severe Asthma: Tech it easy!**
Auditorium Plenary (streamed)

11:00 **Electronic health**
Stephanie Dramburg (Germany)

11:30 **Smart inhalers**
Federico Lavorini (Italy)

12:00 **MASK-air experience in severe asthma**
Jean Bousquet (France)

Sat 7 Oct

11:00 - 12:30

Inflammatory pathways in severe asthma

Sala Germania Practical Course

Chair : Ignacio Dávila (Spain)

11:00

Innate immunity in severe asthma

Celeste Porsbjerg (Denmark)

11:30

T2 immune response

Mohamed Shamji (United Kingdom)

12:00

Th17 pathway in severe asthma

Ioana Agache (Romania)

Sat 7 Oct

11:00 - 12:30

The central role of patients in severe asthma

Sala Italia Symposium

Chair : Lorenzo Cecchi (Italy), Isabella Annesi-Maesano (France)

11:00

Adherence and inhalation technique

Tomás Chivato (Spain)

11:30

PROS and PRES

Audrey Dunn Galvin (Ireland)

12:00

MCID in severe asthma

Alina Gherasim (France)

Sat 7 Oct

12:30 - 13:00

Closing addresses
